Borrowing an eBook from your School's Enterprise Catalogue
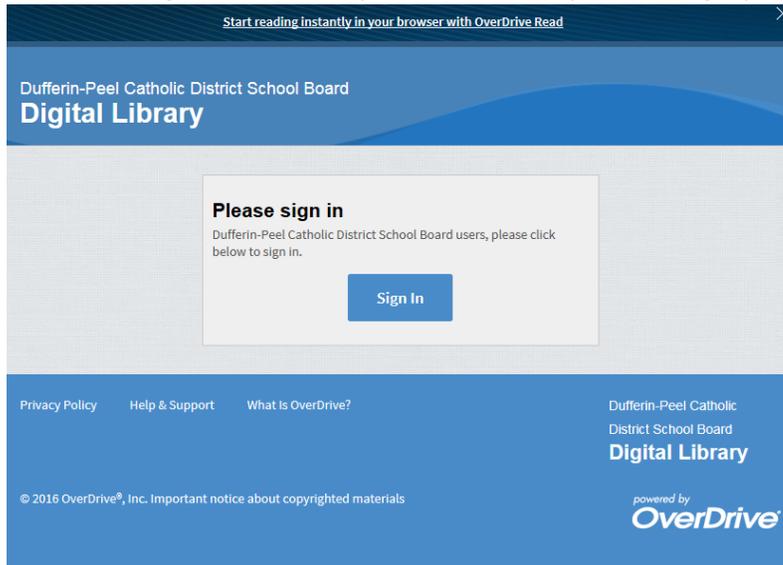

1. To checkout a commercial eBook copy from your school Enterprise OPAC, select the download button adjacent to the eBook "short entry" record of a search result list as seen below.

2. This action will display the eBook title in the ebook vendor's site. Select the "Borrow" button.

3. Select the "Sign In" button to proceed with the personal login process to DPCDSB account.

4. At the DPCDSB Login Screen enter login as educ\ID (staff or student) e.g. educ\51456, followed by your regular password.

Note: teachers and staff can also log in with their email account as shown, using the same password that you normally use when logging in with your ID number.
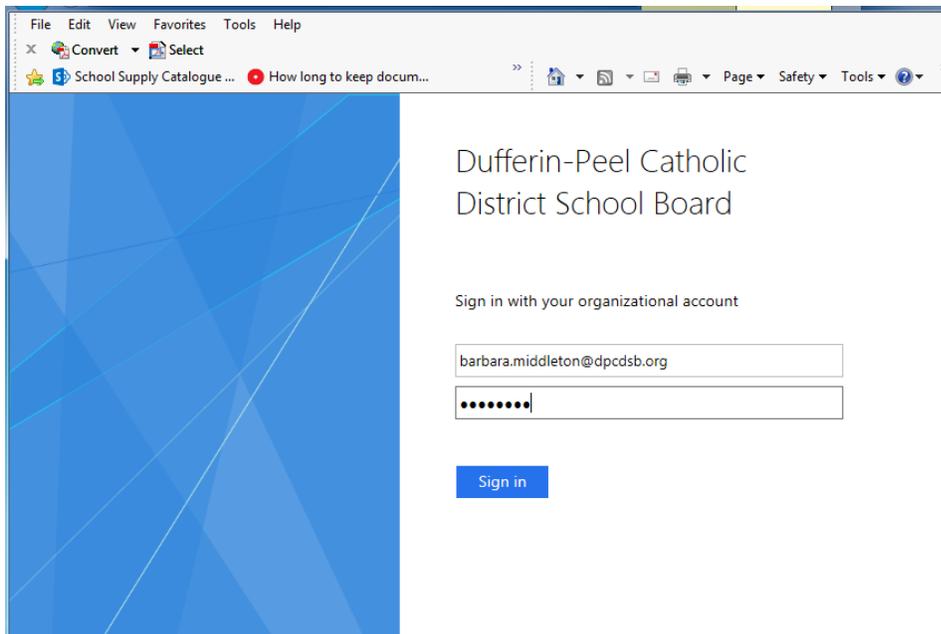

5. eBook Checkout is complete with user being returned to the book's page on the ebook vendor's site.

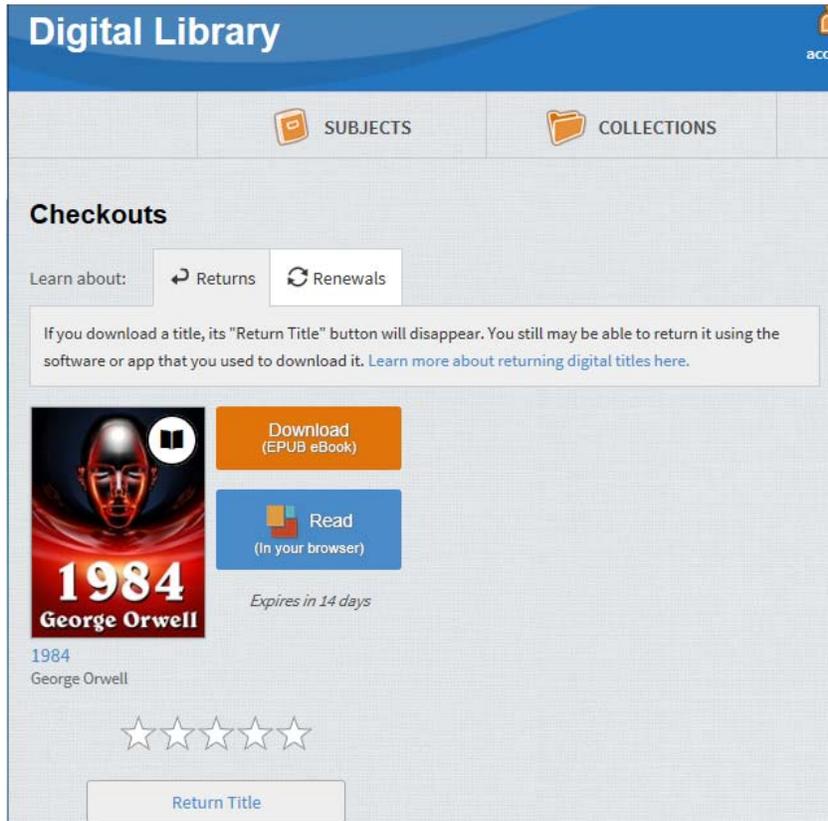

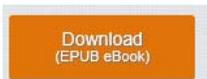

6. Click the "Read (in your browser)" Button to begin reading the eBook.

Or

Click on the "Download (EPUB eBook)" button to begin downloading the ebook copy to your own device.
